WELCOME IN ITALY

Dear OMEP friends,

on behalf of the

OMEP Italy National Committee,

it is a great honour for me to invite you all to the next World Assembly and Conference, in 2025, which, for the first time, will be held in Italy.

My country has been waiting since 1949, when the first Italian delegate started participating in the creation of this great community based on the love for childhood, education and universal brotherhood.

The city of Bologna is an ideal setting to host an OMEP event and, finally, you all will be able next year to live its beautiful historical centre, with probably the oldest university in the Western World and discover the important pedagogical tradition of the Region Emilia-Romagna.

Matteo Corbucci

President of OMEP Italy
